**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

For now, I have a competitive provider for internet and telephone service but there is just one small ISP in my community and that is the one that I use. I very much appreciate their service and do not want to have to trade it for a large company. Please do not allow modifications that will drive these small companies out of business and concentrate services within a few providers.

Please allow small ISPs continues access to their main Internet Transport medium the Public Switched Telephone System, (PSTN)
